Construction	Roof: Corrugated iron; Walls: Timber

This former Methodist church was constructed in 1923 and was originally sited nearby on Handford (then known as Newman) Road. It was moved to this site in 1968. The church became a Uniting church in 1977 when the Methodist, Presbyterian and Congregation Churches amalgamated.

Statement of significance

Relevant assessment criteria

This is a place of local heritage significance and meets one or more of the local heritage criteria under the Heritage planning scheme policy of the *Brisbane City Plan 2014*. It is significant because:

Social

CRITERION G

The place has a strong or special association with the life or work of a particular community or cultural group for social, cultural or spiritual reasons

as it has been a church with a longstanding association with Methodists and later Uniting Church parishioners in the Zillmere area since it was constructed in 1923.

Note: This citation has been prepared on the basis of evidence available at the time including an external examination of the building. The statement of significance is a summary of the most culturally important aspects of the property based on the available evidence, and may be re-assessed if further information becomes available. The purpose of this citation is to provide an informed evaluation for heritage registration and information. This does not negate the necessity for a thorough conservation study by a qualified practitioner, before any action is taken which may affect its heritage significance.
